

KNOWLEDGEHUB-AI ENTERPRISE SECURITY & COMPLIANCE POLICY

Document ID: POL-2026-SEC01

Effective Date: January 15, 2026

Classification: Restricted / Internal Use Only

1. DATA RETENTION POLICY

All evaluation datasets and vector index checkpoints must be retained for a minimum of 90 days following benchmark runs. Automated deletion occurs on day 91 unless an explicit legal hold flag is attached.

2. ACCESS CONTROL & TENANCY

Role-based access control (RBAC) mandates multi-factor authentication (MFA) for all system administrators. Tenant isolation must be strictly enforced at the vector namespace layer using production tenant IDs.
